La Quercia
Prosciutto, made in Iowa?

Iowa food artisans, Herb & Kathy Eckhouse, have created La Quercia, to create the first premium America prosciutto. They are using hogs that roam free on an organic farm and eat a diet of acorns. This produces a ham with a sweet, nutty flavor with marbling throughout.

Right now their prosciutto, guanciale & pancetta can be ordered on their website.

EDITOR'S PICK

Anderson's Maple Syrup
Stop using the sugar maple flavor junk!

Family run for over 80 years, they make Pure Maple syrup, Organic Pure Maple Syrup & Apple Syrup. What fantastic flavor.

FEATURED PRODUCTS

Lisa's Cookie Shop
Their Mission: the baked goods you grew up on.
Our favorite: Their Pecan Bars – rich shortbread base, southern style pecan filling. Their Crisp, yummy chocolate chip cookies were also a hit. Mission Accomplished!
